Dear Dr. Weide-

It is my understanding that you are seeking a document that provides the "financial modeling regarding the [University's] parking deal. As you may be aware, Morgan Stanley & Co. LLC ("Morgan Stanley") was engaged by OSU as the financial advisor to assist in the parking concession project. The financial model would be considered proprietary and/or trade secret information belonging to Morgan Stanley and is therefore exempt from disclosure in accordance with Ohio Revised Code Section 149.43(a)(1)(v) and the Ohio Uniform Trade Secrets Act, R.C. 1333.61 through 1333.69. That being said, it is also my understanding that you have been provided with the parking bid comparisons along with the RFP and Concession Agreement; as well as have had access to <http://www.osu.edu/parkingproposal/resources.html> for any additional materials. Should you want to discuss further, please call but all records responsive to your various requests have been provided.

As always, thanks.

JAN
